IMPORTANT

THE KENTECKY CAMPAIGN.

CAMP BEAURINGHID, mur Felicim, Ky. (September 22, 1861.) EDITORS APPEAL: Soon after the battle of Belmont, and up to within a few days past, of the fleet as far as the mouth of the Beautort the impression prevailed, both in this and the river, not a human being was seen; the plants camps around Columbus, that the enemy would thous on either bank were deserted, and the enupon Gen. Howen's and Gen. Polk's commands. the glorious sunshine. The Federal generals at Peducah and Cairo and give you a drubbing no man ever got be-

ore," and much more to the same effect.

Ine city of issuinors, one of the most beautiful in southern latitudes, is situated on the right.

As many new regiments as were at Cairo, we hank of the river, which makes an extensive to the first canal and its fore," and much more to the same effect. As many new regiments as were at Cairo, we rather thought they were in earnest, and made preparations accordingly. And it seems that Lincoln and his Cabinot entertained the same show numistakably the wealth of their late occuepinion; for never a word has been said about pants. The sailors were not permitted to land, removing Grant, McClernand and Smith, as has been the invariable precedent with generals in number. Some score of the best houses were their condition.

quence of extensive preparations. In the mean-their departure. time, our generals are not inactive. They have not only been heavily reinforced, but pushed forward their fortifications to a state of almost | bus it will be a victory like Trafalgar-werse than defeat-for it can only be done by the sacrifice of thousands of lives.

therefore an important military point, and allimportant to hold it.

town and country and rifled them of their con-town and country and rifled them of their con-tents. What the Vandals and thieves could not to the result, and promised that he would stick. Luke Newell, stale from private Alexander throcarry off was burned and destroyed. Stock of by the defenders of the forts until the very last. dollars while the latter was asleep. He was all kinds, cattle, hogs, sheep, and poultry, were He certainly redeemed his promise in a very tried by a court-martial, and sentenced to wear killed, and every horse mule and oven taken off strange manner; may be he recollected the fate a hoard on his back and breast, with the word Secessionists—it was all taken. The country now appears like wharren, desolate waste. And now appears like a barren, desolate waste. And the arsenal, and here we found properly the arsenal are the arsenal and here we found properly the arsenal are the arsenal and here we found properly the arsenal are the area to the a country is forever attended with the marches of the desolator. Private property and the innermost and most sacred precinets of the family of Port Royal, and rendering it a secure refuge will be a secure refuge.

A Refillmently Cool Edea.

The St. Louis Democrat, in the river column, gets off the following suggestion to the Northern military commanders. addition to the humiliating fact and attitude of defeat, the world adjudge them a cruel and mer. The other articles captured in the arsenal were crooked ice road to Cairo. It troops require,

No one expected so much before cullsting. As no our arms, they all have good bayonets, and not one of them in the hands of a southern solution. dier but is good for a Yankee at three hundred yards.
